Spirit of the Game

Before the start of play:

- All players, coaches and umpires should gather on the ground and shake hands
- The umpire and coaches should ensure that players are aware of the rules & procedures to be followed in the conduct of the game

The spirit of the game is to give all available players a game of football. Therefore:

- Where difficulty occurs fielding full numbers, both coaches must agree to even up player numbers
- Excess players should be given to the opposition team if they are unable to field the required numbers

The umpire should at all times:

- Endeavour to apply the rules of the game while preferring to award free kicks to players in preference to calling ball ups
- Understand that the spirit of the AFL junior match rules for each age group is to enable all players to gather possession and that “the player in possession of the ball should be given every opportunity to kick or handball”
- Attempt to involve all players as the opportunities arise, particularly when indicating which players are to receive a free kick in the Junior Age groups (Under 12 and below)

Zoning – Under 9, Under 10 and Youth Girls Under 12

The modified rules used in these age groups give participants the best opportunity to participate in the game of AFL. An explanation of the zoning rules are as follows:

- The field is divided into three (3) zones: forwards, midfield and backs. These players are to be rotated through all of the zones during each match to ensure that all players are given the opportunity to experience all field positions. Four (4) distinguishable markers are to be placed at the sideline to mark the end of each zone.
- Forwards are the only players who are permitted to kick a score. These players are to wear a clearly identifiable armband to indicate that they are forward players. Should a midfield zone player kick the ball through the goal posts, no score shall be acknowledged, and play is to restart in the same fashion as when the ball goes out of bounds.
- It is important to understand that the marking of zones is to help both player and umpire understand where players should be. It is not an 'offside' marker as is the case in Netball, rather an indication that a player is close to the end of a zone. A player shall be given a small amount of leeway over the zone line to dispose of the ball. The Umpire and team coach shall communicate with players and attempt to ensure that the use of any leeway is kept to a minimum.
- Players are unable to take full possession of the ball at the start of play or the recommencement of play around the ground. The umpire should use different players from the zone that play is in to contest the bounce.
- The enjoyment of the players is paramount in the conduct of all matches in these age groups.
